MINI TWIN BRACKETS

LUCCHESI SUB-SLOT BRACKETS

EXCLUSIVE
TO
ORTHO SHOP

Discover the best of both worlds with the Lucchesi Sub-Slot bracket. Low friction and rapid tooth movement like a self-ligating bracket, at the beginning of treatment, and full wire engagement for optimum torque expression during later stages of treatment like a conventional twin.

Features:

- Offset bases on 2nd premolars
- 17-4 Stainless Steel MIM Technology
- 80-gauge mesh sandblasted base
- Tooth number laser etched on base
- .022" MBT hooks 3,4,5
- Use with Ortho Shop's Copper NiTi Archwires
- Use with Ortho Shop's Evolve Bondable Buccal Tubes
